

Fluffy Slime

Materials:

- Bowl
- Mixing bowl
- Measuring tools
- Mixing tool

Ingredients:

- 1 cup warm water
- 1 tsp borax
- 1/2 cup glue
- 1/2 cup shaving cream
- 1/2 cup hand soap
- 1 tbsp cornstarch
- A few pumps of hand lotion
- Food coloring

Mix the 1 teaspoon of borax and 1 cup of water together until the borax is completely dissolved.

Set aside.

1

Mix the following together in a mixing bowl:

- 1/2 cup glue
- 1/2 cup shaving cream
- 1/2 cup hand soap

2

Once the previous ingredients are mixed, add 1 tablespoon cornstarch and mix again.

3

Add a few pumps or a glob of hand lotion.

Add food coloring, starting with small amounts. Continue adding more until you are happy with the color, mixing each time.

5

Slowly add the borax mixture in spoonfuls, mixing after each. Once the texture is correct, you are done!
